

Print your own music
as written by a
pseudo-random number generator.
Edit it to your own
Specifications and copyright in your
OWN NAME!!!
One page free viewing without charges.
CLICK on "New Piece"
Each page is unique.
Download a page and place your I-pad or
tablet or even your cell phone on the piano
stand and play away to see if you like it for
your own.
You can look at one page for free per day.
Pay a small amount and see unlimited pages.

If you like it you may save it... following the prompts.

SUBSCRIBE by clicking on "SUBSCRIBE"! !!Cost is \$4.99/month!

Then you can generate new pieces and save them at a lower cost.

One does not have to subscribe; however, the cost is greater to save and print.

Via subscribing one may pay 25 cents to save the piece and only \$1.25 to print the saved piece.

Without subscribing one pays 50 cents to save the piece and \$1.50 to print the piece.

CLICK on the number following your balance to increase credits for printing and saving.

CLICK on “Saved Pieces” after saving a piece to follow the prompts and print the number of pages selected.

CLICK on “New Piece” to see a completely new generated set of pages of editable music that one can copyright in one’s own name with the mention of Cornish and Beleuta as co-authors.

UNLIMITED MUSIC.

Use as filler, edit, ad lib, improvise. It is yours.

Set printer on A4

Good luck!!!!!!
